A cereal washing powder.

Is this washing powder? Back home it is in similar packages but all information is only in Finnish and Swedish...

Hi Anna, can you lend me some washing powder?

Of course. Didn't find any at the supermarket?

Washing powder and washing powder!

But these are different kinds of breakfast cereal?

Washing powder and washing powder!

But these are different kinds of breakfast cereal?

Yep, back home washing powder is in similar boxes. And all the information is only Finnish and Swedish if I understand right.

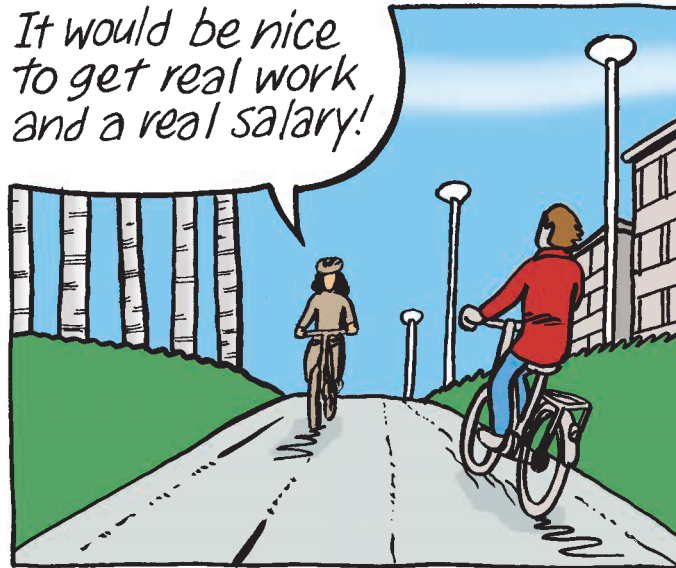

Let's swap. I will give you a big package of washing powder and I'll get your cereal boxes?

Great! And I'll get one new label in my shopping manual.
